

1 May 2019

Dear Resident,

Re: Track maintenance – Moura Rail System

Aurizon would like to inform you that we will be commencing track maintenance work along the Moura Rail System at Jambin.

The works will consist of bridge and formation works to ensure the track meets standard requirements and maintains efficient and safe operations.

Work will be undertaken from 0700 hours Wednesday 29 until 2100 hours Friday 31 May 2019 (weather permitting)

During this works the Burnett Highway bridge underpass will be under traffic control and may experience slight delays. Motorists are requested to exercise caution and observe all warning signs, speed restrictions and traffic control directions during this work.

Measures will be in place to minimise noise, dust and lighting where necessary. Aurizon will endeavour to make every reasonable effort to minimise these disruptions. Aurizon apologises for any inconvenience this may cause and thanks you for your patience.

If you have any questions or concerns regarding these works, or require additional information, please contact James Black on 0448 286 204 or email James.Black@aurizon.com.au and quote reference number #0046.

Regards,
Community Engagement Team
Aurizon Operations
