Dear Resident,

Re: Track maintenance – Moura Rail System

Aurizon would like to inform you that we will be commencing track maintenance work along the Moura Rail System at River Ranch.

The works will consist of bridge works at Double Creek to ensure the track meets standard requirements and maintains efficient and safe operations.

Work will be undertaken between 0700 hours and 1700 hours Monday 27 until Friday 31 May 2019. Some night works will occur Wednesday 29 May 2019 (weather permitting). Handrail removal on the bridge is scheduled between 0500 hours and 1200 hours Tuesday 4 June 2019.

Measures will be in place to minimise noise, dust and lighting where necessary. Aurizon will endeavour to make every reasonable effort to minimise these disruptions. Aurizon apologises for any inconvenience this may cause and thanks you for your patience.

If you have any questions or concerns regarding these works, or require additional information, please contact James Black on 0448 286 204 or email James.Black@aurizon.com.au and quote reference number #IP7.

Regards,
Community Engagement Team
Aurizon Operations
