

Modification to Aurizon Network Infrastructure Form

Form Details

Completion of this application form is required for a third party to request modification of Aurizon Network infrastructure where existing agreements for access/use are in place (this includes request for new Aurizon Network infrastructure).

Return this completed application along with all outlined supporting documents by email to corridorenquiries@aurizon.com.au

Upon completion of the technical assessment a letter will be issued accepting or rejecting the request and if relevant will include cost estimates to implement the change

Please provide as much detail as possible regarding your request as incomplete data or submissions will not be processed.
