### 1.3 Interpretation

Unless expressed to the contrary, the provisions of clause [1.2] of the Extension Project Agreement apply to this Deed.

### 2 Term

(a) Other than for clause 2(b) (which commences on the date of this Deed), this Deed commences on the Condition Precedent Satisfaction Date and will continue until the date that:

(i) an Access Agreement or Access Agreements for the whole of the Nominated Access Rights for each Access Period during the Access Agreement Term and which meet the requirements of clause 3.1(a) have been entered under clause 3.1(a); or

(ii) an Access Agreement is deemed to be entered into under clause 3.3.

(ii) the Extension Project Agreement is terminated in accordance with clause [2.5] of the Extension Project Agreement.

### 3 Access Agreement

#### 3.1 Entry into Access Agreement

(b) Aurizon Network must use all reasonable endeavours to assist the Access Seeker to comply with clause 3.1(a).

(c) If the Access Seeker has complied with clause 3.1(a) but the Due Date is subsequently varied to reflect a delay to the Date for Practical Completion, the Access Seeker is deemed to have satisfied this clause 3.1(a) despite the Access Agreement being entered into more than 6 Months prior to the Due Date.

3.2 Completion and modification of Access Agreement

(a) If:

(i) the Access Seeker wishes to enter into an Access Agreement under clause 3.1(a)(i), then the Access Seeker irrevocably authorises and directs Aurizon Network; and/or

(ii) the Access Seeker nominates a Railway Operator to enter into an Access Agreement under clause 3.1(a)(ii), then the Access Seeker must procure the nominated Railway Operator to irrevocably authorise and direct Aurizon Network,

to:

(iii) complete the applicable Access Agreement by inserting the date of the applicable Access Agreement;

(iv) complete the applicable Access Agreement by including a term equal to the Access Agreement Term;

(v) complete the applicable Access Agreement to include the applicable Nominated Access Rights for each Access Period during the Access Agreement Term;

(i) is taken to be in full force and effect on and from the Due Date as an access agreement between Aurizon Network and the Access Seeker for the Access Agreement Term; and

(ii) binds Aurizon Network and the Access Seeker on and from the Due Date,

whether or not Aurizon Network and the Access Seeker have properly executed that document.

(c) Promptly after:

(i) the Due Date, Aurizon Network must deliver a copy of the Default Access Agreement to the Access Seeker; and

(ii) the copy of the Default Access Agreement is delivered to the Access Seeker, the Access Seeker must duly execute a copy of the Default Access Agreement and deliver it to Aurizon Network.

4 Termination

4.1 Termination by Aurizon Network or the Access Seeker for Insolvency Event and automatic termination

(a) Aurizon Network may immediately terminate this Agreement by notice to the Access Seeker and the Trustee if an Insolvency Event occurs in respect of the Access Seeker and continues for a period of at least 40 Business Days.

(b) The Access Seeker may immediately terminate this Agreement by notice to the Aurizon Network and the Trustee if an Insolvency Event occurs in respect of Aurizon Network and continues for a period of at least 40 Business Days.

(c) This Agreement will automatically terminate, without the need for any Party to give notice to any other Party, on the date that the Trust is wound up in accordance with the Trust Deed and Unit Holders Deed.
4.2 No other rights of termination
Except as provided in clauses 2(b) and 4.1 and despite any rule of law or equity to the contrary, no Party may terminate, rescind or treat as repudiated, or obtain any order with the effect of terminating or rescinding, this Deed.

4.3 No prejudice as to right to damages
Subject to clause 5, nothing in this clause 4 prejudices in any way a Party’s right to Claim and recover damages for any breach of this Deed by the another Party.

5 Limitation of liability
5.1 Trustee’s limitation of liability
(a) Aurizon Network and the Access Seeker acknowledge that the Trustee enters into this Deed only as trustee of the Trust, and in no other capacity (other than in respect of the warranties in relation to trustee capacity in clause [13.2] of the Extension Project Agreement which are given by the Trustee in its personal capacity).

(b) A liability of the Trustee arising under, or in connection with, this Deed is limited to and can be enforced against the Trustee only to the extent to which the Trustee is entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.

(c) The limitation of liability in this clause 5.1 will not apply to any liability of the Trustee to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee’s right of indemnity as a result of the Trustee committing:

(i) fraud;
(ii) Gross Negligence;
(iii) Wilful Default;
(iv) breach of trust; or
(v) breach of the Trust Deed or the Unit Holders Deed.

5.2 Aurizon Network’s limitation of liability
Aurizon Network’s liability to the Access Seeker in respect of a Claim arising out of, or in any way related to, a Transaction Document, other than this Deed and the Extension Project Agreement, is limited to $1.00. For the avoidance of doubt, this clause 5.2 does not apply to any liability of Aurizon Network in respect of:

(a) an Access Agreement or Access Agreements entered into under clause 3.1;
(b) an Access Agreement entered into under clause 3.2; or
(c) a Default Access Agreement.
5.3 **Application of Extension Project Agreement**
Subject to clause 5.2, the limitations and provisions contained in clause [7] (other than clause [7.3]) of the Extension Project Agreement apply to this Deed *mutatis mutandis*.

#### 6.4 Assignment
(a) Subject to the following provisions of this clause 6.4, the Access Seeker must not Assign its rights or obligations, or part thereof, under this Deed or the Extension Project Agreement without the prior written consent of Aurizon Network, which consent may not be unreasonably withheld.

(b) The Access Seeker may, provided it is not in default in the performance or observance of any of its obligations under this Deed, Assign the whole of its rights and obligations under this Deed and the Extension Project Agreement (at the same time) to:

(i) a Related Body Corporate of the Access Seeker which is capable of performing the obligations of the Access Seeker under this Deed, the Extension Project Agreement and an Access Agreement to be entered into under clause 3.1(a)(i) provided that the Access Seeker will remain liable for the performance of the duties, responsibilities and obligations assumed by the Assignee and provided however that performance by the Assignee will, to the extent of its assumption, discharge the Access Seeker from liability for performance of those duties, responsibilities and obligations that are Assigned; or

(ii) a person other than a Related Body Corporate of the Access Seeker with the prior written consent of Aurizon Network, provided that such consent will not be unreasonably withheld if Aurizon Network is satisfied that such person:

(A) is financially sound; and
(B) is otherwise capable of performing the obligations of the Access Seeker under this Deed, the Extension Project Agreement and an Access Agreement to be entered into under clause 3.1(a)(i)

(c) Any Assignment by the Access Seeker of its rights or obligations under this Deed and the Extension Project Agreement will be conditional upon and will not take effect until the Assignee covenants with Aurizon Network by deed, in such terms as Aurizon Network may reasonably require, to be bound by and to perform the obligations of the Access Seeker under this Deed and the Extension Project Agreement.

(d) Any change in shareholding of the Access Seeker altering the effective control of the Access Seeker will be deemed to be an Assignment of this Deed and the Extension Project Agreement except where:

(i) the Access Holder or its ultimate holding company (as that term is defined in the Corporations Act 2001) is listed on a recognised stock exchange and:

(A) the change in shareholding is a result of a change in shareholding of that listed entity; and

(B) that listed entity remains listed on that recognised stock exchange both before and after that change in shareholding; or

(ii) the ultimate holding company (as that term is defined in the Corporations Act 2001) of the Access Holder does not change as a result of the change in shareholding.

6.5 GST

(a) In this clause 6.5:

(i) unless there is a contrary indication, words and expressions which are not defined in this Deed but which have a defined meaning in GST Law have the same meaning as in the GST Law; and

(ii) references to GST payable and input tax credit entitlement include GST payable by, and the input tax credit entitlement of, the representative member for a GST group of which the entity is a member and the GST joint venture operator of any GST joint venture of which the entity is a participant.

(b) Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Deed are exclusive of GST.

(c) If GST is payable on any supply made by a Party (or any entity through which that Party acts) (Supplier) under or in connection with this Deed, the recipient of the supply will pay to the Supplier an amount equal to the GST payable on the supply.

(d) The amount referred to in clause 6.5(c) must be paid in addition to and at the same time and in the same manner (without any set-off or
deduction) that the consideration for the supply is to be provided under this Deed.

(e) The Supplier must deliver a tax invoice or an adjustment note to the recipient of a taxable supply before the Supplier is entitled to payment of an amount under clause 6.5(c), and the recipient can withhold payment of the amount until the Supplier provides a tax invoice or an adjustment note, as appropriate.

(f) If an adjustment event arises in respect of a taxable supply made by a Supplier under this Deed, the amount payable by the recipient under clause 6.5(c) will be recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier, or by the Supplier to the recipient, as the case requires.

(g) Where a Party is required under this Deed to pay for, reimburse or contribute to an expense, loss, liability or outgoing of another Party or indemnify another Party in relation to such an expense, loss, liability or outgoing, the amount required to be paid, reimbursed or contributed by the first Party will be the sum of:

(i) the amount of the expense, loss, liability or outgoing less any input tax credits in respect of the expense, loss, liability or outgoing to which the other Party is entitled; and

(ii) if the payment, reimbursement or contribution is subject to GST, an amount equal to that GST.

(h) If an amount of consideration payable or to be provided under or in connection with this Deed is to be calculated by reference to:

(i) any expense, loss, liability or outgoing suffered or incurred by another person (Cost), that reference will be to the amount of that Cost excluding the amount of any input tax credit entitlement of that person relating to the Cost suffered or incurred; and

(ii) any price, value, sales, proceeds, revenue or similar amount (Revenue), that reference will be to that Revenue determined by deducting from it an amount equal to the GST payable on the supply for which it is consideration.

(a) As between the Parties, the Access Seeker is liable for and must pay all Stamp Duty on or relating to this Deed, any document executed under it or any dutiable transaction contemplated, evidenced or effected by it.

(b) If Aurizon Network or the Trustee pays any Stamp Duty to which clause 6.6(a) applies, the Access Seeker must pay that amount to Aurizon Network or the Trustee (as applicable) on demand and hereby indemnifies Aurizon Network and the Trustee for that amount.

6.9 **Applicable law**
(a) This Deed will be governed by and construed in accordance with the laws applicable in the State.
(b) Each Party irrevocably submits to the exclusive jurisdiction of courts exercising jurisdiction in the State and courts of appeal from them in respect of any proceeding arising out of or in connection with this Deed.
