The Aurizon Community Giving Fund Criteria and Guidelines

Aurizon, working in conjunction with Good2Give, has established the Aurizon Community Giving Fund program to provide cash grants to charitable projects aimed at improving health and wellbeing, community safety, the environment and education in the local communities in which Aurizon operates and our employees reside.

Eligibility

The organisation applying for an Aurizon Community Giving Fund grant must be endorsed by the Australian Tax Office (**ATO**) as a Deductible Gift Recipient Item 1. All successful applicants will be required to supply their ABN so that a check of its DGR status can be carried out.

The Aurizon Community Giving Fund is focused on the broad areas of health and wellbeing, community safety, the environment and education. All applications for an Aurizon Community Giving Fund grant must fit within at least one of these funding categories to be eligible for consideration.

These funding categories are defined as follows:

Health & Wellbeing

We seek to provide grants to initiatives that improve a community's health and wellbeing, such as cardiovascular health related projects e.g. getting active/physical activity or healthy lifestyle programs, and mental health support.

Community Safety

We seek to support initiatives that increase safety and security in our local communities, such as projects related to emergency response, crime prevention, natural disaster prevention and minimisation measures, accident prevention and road safety.

The Environment

We seek to support initiatives that promote environmental enhancement in our local communities, and in particular, initiatives that are focused on improving biodiversity of natural habitats, community conservation and environmental education (for example, land rehabilitation and revegetation programs, clean-up and education days and local conservation projects).

Education

We seek to provide support in areas such as literacy and numeracy, life education, apprenticeships and traineeships, and in particular, increasing and retaining skills in regional areas.

Aurizon Community Giving Fund grants will only be available for charitable projects that affect the immediate areas in which Aurizon operates, including:

20. All advertising, signage, media releases and other promotional material that contains the Aurizon logo or a reference to the Aurizon Community Giving Fund must be submitted to and approved by Aurizon prior to its production and release. Aurizon reserves the right to make amendments prior to any such release.
21. Aurizon may request to use photos, videos and quotes from the Grantee for marketing purposes including advertising, publications and on websites as agreed between Aurizon and the Grantee. All such materials used will become the property of Aurizon.
